

FACILITATIVE INSTRUCTOR M-410

February 25-March 1, 2001
Wenatchee, Washington

Lead Instructors:

Course Coordinator: Renee Lamoreaux (541) 504-7342

Nominations Due: November 2, 2001

Selections Posted on Web: December 1, 2001

This course is limited to 18 students.

TARGET GROUP

- The Facilitative Instructor course is a 40 hour course designed to help personnel with technical competence in fire management and other disciplines become effective instructors.

TRAINEE PREREQUISITES

- Trainees *MUST* complete 16 hours of prework prior to attendance.
- Trainees *MUST* give oral presentations during the course.

COURSE DESCRIPTION

- Course trains potential instructors to prepare for and present courses using more effective training methods and visual aids.
- Group exercises and individual presentations will be integral parts of this session.
- Focus is on teaching techniques necessary to meet the needs and motivations of the trainees enrolled in 100 through 400 level Fire Management courses.
- This course meets the 32-hour training requirement established by the National Wildfire Coordinating Group for instructors.

COURSE OBJECTIVES

- Prepare and present courses for which they have technical competence.
